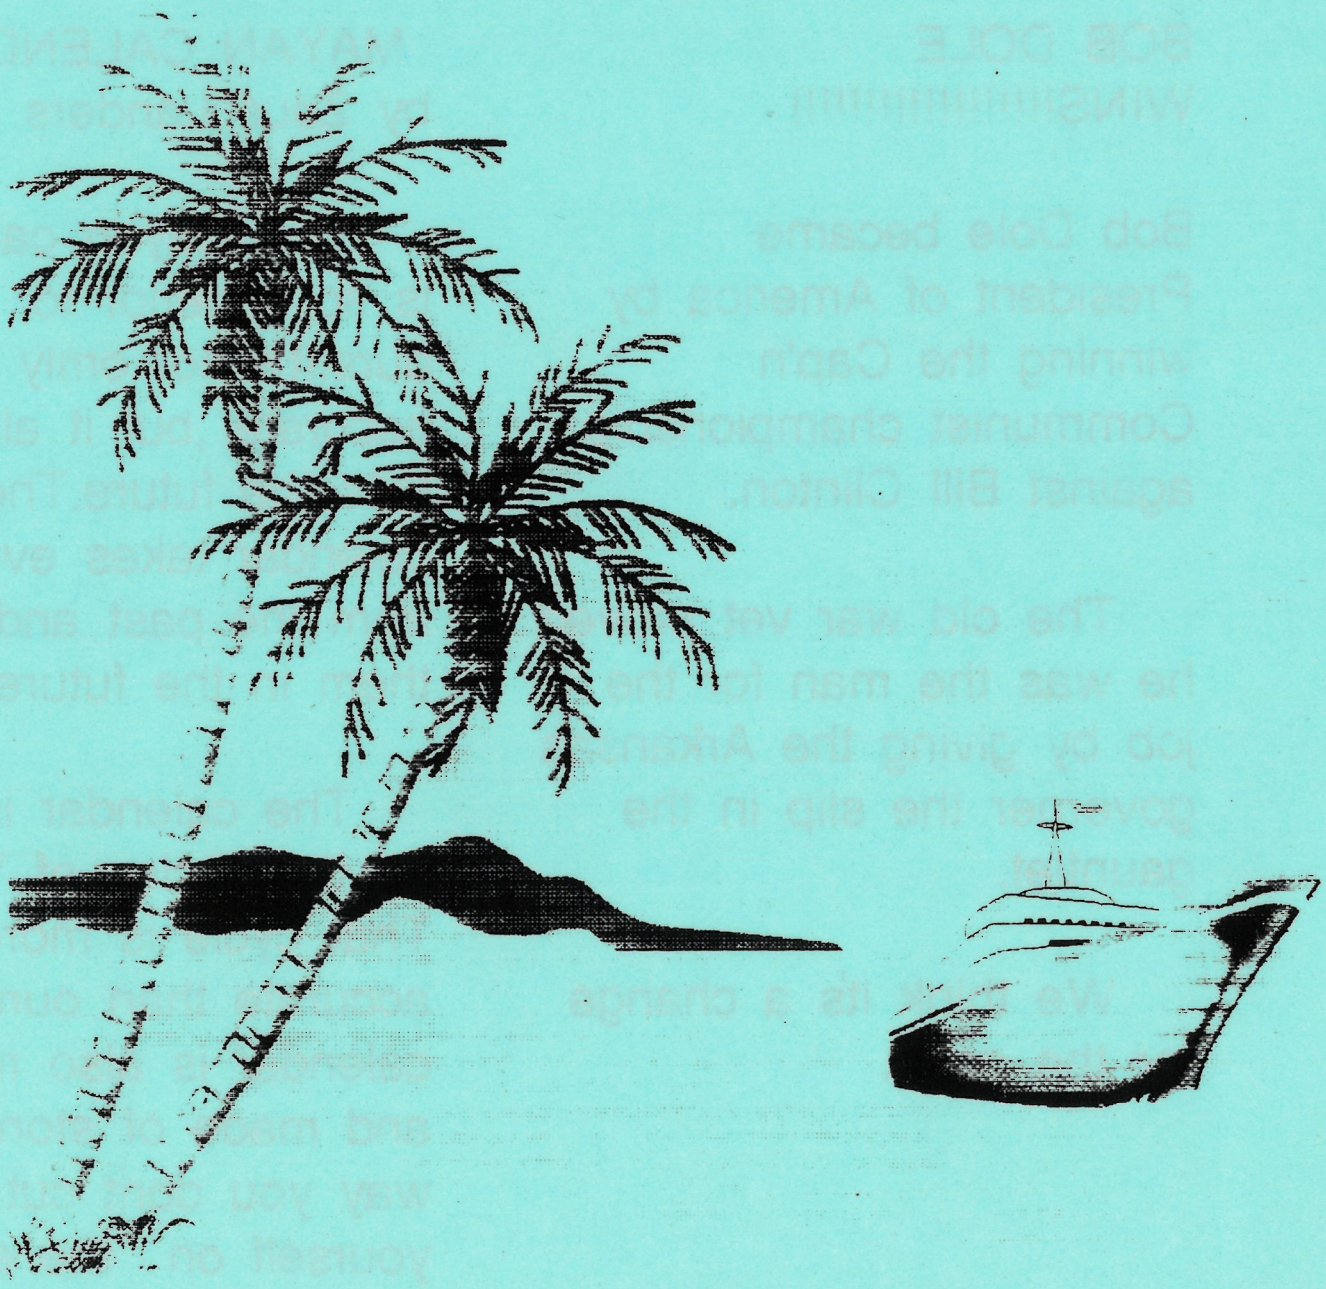
April Fool's your real issue comes out on April 10th have fun on vacation!



THE GOODTIMES

VOL.23 ISSUE 24 MARCH 32 1997

BOB DOLE WINS!!!!!!!!!!!!!!!!!!!

Bob Dole became President of America by winning the Cap'n Communist championship against Bill Clinton.

The old war vet proved he was the man for the job by giving the Arkansas governer the slip in the gauntlet.

We think it's a change for the good.

MAYAN CALENDER

by Zeus Landers

The Mayan calendar is so superior to ours.It's not omly accurate ,but it also tells the future.The calendar takes events from the past and puts them in the future.

The calendar is run on the cycles of Venus. That cycle is more accurate than ours. The calendar is also round and made of stone.That way you dont cut yourself on the edges when you try to hang it up on the wall.
